

Cornell Notes Guide

Video Name

Questions

- Things you'd like to know
- Things you do not understand yet
- Things you need help with
- Study questions (to help you prepare for tests)

Notes Section

- Terms
- Diagrams
- Outline of main ideas and supporting details
- Write anything you think you might see on the test

Hints:

- Abbreviate words
- Use symbols (+, =, -, etc.)
- Take notes in bullets
- Cut unnecessary words

Summary

In a few sentences and in your own words, summarize what the section was all about – this will help you remember the video content!
